

# Second THEME OF PERSONAL INCREASE

## “THE COURAGE OF THE TRUTH “ Your "time", your "history"

### **FIRST MOMENT: THE MEETING AMONG YOU AND YOUR GROUP**

#### ***Read***

We continue our walk, recovering from the moment when Jesus he makes towards the two disciples and he is united to their walk, or the moment when the human friendship she/he/it/you opens to that goddess.

It is the strategic moment, because the friendship serves to grow really and help to overcome the mean.

Seems bewildering, but the point of arrival of the friendship is one's own its...overcoming.

In other words the friendship provokes to go across the border, to himself realize of that Friend that from always follows you and accompanies you long the roads of life.

#### ***Think over***

God wants that even you learn to pull out the truth of your self.

Are you capable and ready to read your history?.

Attention, is not easy.

In turn there is many illiterate people, incapable to gather you/it really life as the house of the mystery.

Young darling pilgrim, trade to learn how to read within the thing, the more personal that you have, that it is your history and your life, and discover the presence of Father God that wants to all the costs your happiness.

The only thing the opportunity to believe is leave that the life tells if same.

And the test more evident and convincing than the existence of God is your same life.

Leave from departs the conceitedness and, perhaps, the fear to know you.

Have you ever suspected that the fear is able kill a part about you or suffocate the possibility to realize you completely? And your life changes in a monster, a "vocational abortion", something of incomplete and of less to human.

If you look for the truth, don't be afraid of look for anyone doesn't fear of you put a little in crisis and to point out you your scary egoism. Doubts of anyone never doesn't speak you of the cross, because the cross ( and the sacrifice, the pain ) is the essential requirement because are able go out from our egoism and discover the freedom of the joy and of the gift of us same. Look for anyone, more that upset you close to torrents of words, he has the art to begin you to the listening of the Word, what goes out from the mouth of the Father, doing

you slowly discover that that word is realized and she/he/it/you is realizing in your time, in your history.

*Think over with your group*

**SECOND MOMENT: THE MEETING AMONG YOUR GROUP AND THAT OF AN OTHER NATION**

*Share and learns*

Find again with your group and you go to visit that of an other nation. Share what has lived in the prayer and with a lot of simplicity tried to speak of Jesus and of you same, for what are successful in understand from the Gospel. Take together a practical decision to continue "to dig" and to discover the presence of god. A "secretary" reassumes the conclusions of your meeting and are happy!

**THIRD MOMENT: THE MEETING AMONG YOU AND GOD**

*Pray*
